

IN THE BOARD OF SUPERVISORS

County of San Luis Obispo, State of California

_____ day _____, 20__

PRESENT: Supervisors

ABSENT:

RESOLUTION NO. _____

**RESOLUTION DECLARING CERTAIN COUNTY
REAL PROPERTY INTERESTS IN THE WILLOW ROAD INTERCHANGE
AS SURPLUS PROPERTY
AND AUTHORIZING CONVEYANCE TO THE ADJOINING OWNER,
NIPOMO, SUPERVISORIAL DISTRICT NO. 4**

The following resolution is hereby offered and read:

WHEREAS, pursuant to Government Code Section 25526.5, this Board of Supervisors may convey its interest in real property no longer required for County use in the manner and upon the terms and conditions approved by this Board provided that the estimated value of said interest in real property does not exceed twenty-five thousand dollars (\$25,000); and

WHEREAS, the County acquired certain real property interests for the Willow Road Interchange Project by Grant Deed from Charles A. Mehlschau, et al, recorded June 7, 2010, as Document No. 2010-026107, and by Final Order of Condemnation, recorded October 18, 2011, as Document No. 2011-051759, and by Final Order of Condemnation recorded December 2, 2011, as Document No. 2011-0061078 (2011 FOC); and

WHEREAS, the properties described in the attached Exhibits "A" and "B" (hereafter collectively the "Surplus Property") are small, odd-shaped, incapable of independent development, have a higher and better use as part of the adjoining property, and if sold to other than the adjoining owner, would cause an undue or unfair hardship to such adjoining owner in the normal development or operation of their property; and

WHEREAS, said Surplus Property proposed for conveyance is located adjacent to real property located at the south east quadrant of the intersection of State Highway 101 and Willow Road near Nipomo, California, in the County of San Luis Obispo and owned by Michael J. Cavaletto Ranches, LLC, a California limited liability company (Cavaletto Property); and

WHEREAS, the 2011 FOC further provided the County with a right of ingress and egress over said Cavaletto Property as described in Exhibit "A" attached hereto. The County, on behalf of the State of California, no longer requires said right of ingress and egress and wishes to eliminate it; and

WHEREAS, the County has tentatively agreed to convey said Surplus Property to said adjoining owner in correction and as a supplement to the County's previous conveyance of surplus by Quitclaim Deed recorded December 2, 2011, as Document No. 2011-061077 in Official County Records. The intention of this proposed supplemental conveyance is to assure that certain guard rail and drainage improvements constructed in conjunction with the County's Willow Road Interchange Project and serving the adjoining property will lie entirely within and upon said adjoining property and the conveyance will further support elimination of the described right of ingress and egress; and

WHEREAS, County staff has estimated the value of the Surplus Property at a nominal amount not exceeding one thousand dollars (\$1,000). Non-monetary consideration to be received from the adjoining owner, in lieu of cash, includes the assumption of maintenance and liability for the guard rail and drainage improvements previously noted, and the elimination of risk associated with the right of ingress included in the transaction; and

WHEREAS, the proposed conveyance has been reviewed by the pertinent functional units of County Government and it has been determined that the described real property rights are not required for County use; and

WHEREAS, the County Planning Director previously considered the proposed conveyance and reported on September 22, 2011, to the County Planning Commission that said disposal of surplus real property is in conformity with the General Plan; and

WHEREAS, the County Environmental Coordinator considered the proposed conveyance and determined that the proposal has no potential for significant environmental effect pursuant to Section 15206(b)(4) and is therefore Categorically Exempt as evidenced by filing of a Notice of Exemption with the County Clerk dated July 21, 2010; and

WHEREAS, it is in the public interest that the hereinafter described portions of said County real property be disposed by conveyance as proposed.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED that the Board of Supervisors of the County of San Luis Obispo, State of California, finds, declares and determines as follows:

1. That the recitals set forth above are true and correct.
2. That this Board finds, from all of the evidence submitted, that the interests in real property more particularly described and depicted in Exhibit "A" and Exhibit "B," attached hereto and made a part hereof, are unnecessary for present or prospective County use and are hereby declared to be County surplus real property.
3. That prior to adopting this resolution, this Board considered the General Plan and the recommendation of the Planning Director that the conveyance of said Uneconomic Remnants is in conformity with the General Plan.

4. That this project is not subject to CEQA, per CEQA Guidelines, Section 15206(b)(4).
5. The Chairperson is hereby authorized and directed to execute said conveyance of County surplus real property, and the Clerk shall record the executed conveyance and deliver a certified copy to the Department of Public works for further processing.
6. The Director of Public Works, or his designee, are hereby authorized and directed to execute any remaining escrow documents or procedures necessary to close the transaction(s) associated with the hereinabove described conveyance of County surplus real property interests.
7. That the County Clerk of the County of San Luis Obispo be and hereby is ordered and directed to record a certified copy of this resolution, attested by the Clerk under seal, in the Office of the County Recorder of the County of San Luis Obispo, State of California.
8. This resolution supersedes and replaces Resolution No. 2013-239 adopted by this Board on October 1, 2013. Said Resolution No. 2013-239 had a minor error in the name of the intended Grantee that was discovered before the County Clerk recorded Resolution No. 2013-239 with the County Recorder. The County Clerk is hereby ordered and directed not to record Resolution No. 2013-239 in the Office of the County Recorder.
